

Scott

Institutions and Organizations

'Scott's work provides an excellent introductory guide and will serve as an able companion during initial explorations' - Information Technology & People Thoroughly revised and expanded, Institutions and Organizations provides a comprehensive overview of the institutional approach to organization theory. W Richard Scott presents an historical overview of the theoretical literature, an integrative analysis of current institutional approaches, and a review of empirical research related to institutions and organizations. He offers an extensive review and critique of institutional analysis in sociology, political science, and economics as it relates to recent theory and research on organizations.
