Retracing Public Administration

Despite the global mood for privatization in the last decades of the 20th century, dissatisfaction with failing public/private partnerships and calls for an active state in the face of increasing globalization has created a situation where the term "public administration" has gained new validity.

Despite the global mood for privatization in the last decades of the 20th century, dissatisfaction with failing public/private partnerships and calls for an active state in the face of increasing globalization has created a situation where the term "public administration" has gained new validity.
