

Marquee Series: Microsoft Access 2019

The Marquee Series prepares students to work with Microsoft Office 365 in a business setting or for personal use. Incorporating an accelerated, step-by-step, project-based approach, this program builds student competency in the features found in the 2019 versions of Word, Excel, Access, and PowerPoint. Complete course content is delivered in the Cirrus learning environment through a series of scheduled assignments that report to a grade book to track student progress and achievements.
