Events transpire faster than the mind can conceive as Macbeth seizes power only to be destroyed by his blind ambition. The CliffsComplete Macbeth is a revised and expanded study edition. It contains Shakespeare's original play, a glossary, and expert commentary in a unique, 2-column format. To enhance your learning, notes and definitions appear directly opposite the line in which they occur, and a review section follows the play. This edition also introduces you to the life, works, and times of William Shakespeare.
