Incentive Regulation for Public Utilities

This book is based on two seminars held at Rutgers on October 22, 1993, and May 6, 1994 entitled 'Incentive Regulation for Public Utilities'. These contributions by leading scholars and practitioners represent some of the best new research in public utility economics and include topics such as the theory of incentive regulation, dynamic pricing, transfer pricing, issues in law and economics, pricing priority service, and energy utility resource planning.
