Deleuze's 'Difference and Repetition'

A Reader's Guide to arguably Deleuze's most demanding work and a key text in modern European thought.

Gilles Deleuze is without question one of the most influential thinkers of the twentieth century. Difference and Repetition is a classic work of contemporary philosophy and a key text in Deleuze's oeuvre, a brilliant exposition of the critique of identity that develops two key concepts: pure difference and complex repetition. Deleuze's 'Difference and Repetition': A Reader's Guide offers a concise and accessible introduction to this hugely important and yet notoriously demanding work.
