

Key Terms in Translation Studies

Key Terms in Translation Studies gives a comprehensive overview of the concepts which students of translation studies are likely to encounter during their study, whether at undergraduate or postgraduate level.

gives a comprehensive overview of the concepts which students of translation studies are likely to encounter during their study, whether at undergraduate or postgraduate level. The book includes definitions of key terms within the discipline, as well as outlines of the work of key thinkers in the field, including Eugene A. Nida, Gideon Toury, Hans J. Vermeer, and Lawrence Venuti. The list of key readings is intended to direct students towards classic articles, as well providing a springboard to further study. Accessibly written, with complicated terms and concepts explained in an easy to understand way, is an essential resource for students.
