TPM for Workshop Leaders

Workshop leaders play a central role in your company's efforts to implement TPM. Once your workers have been divided into small groups to learn the fundamentals of TPM, it is the group leader who spearheads ongoing training and implementation activities. With quick-reading, people-oriented practicality, this new book addresses the role of the workshop leader in maximizing the benefits of TPM.A top TPM consultant in Japan, Kunio Shirose: - Incorporates cartoons and graphics to convey the hands-on leadership issues of TPM implementation - Uses case studies to reinforce his ideas on training and managing equipment operators in the care of their equipment - Itemizes specific activities that must be undertaken to search out, correct, and control defects to remedy equipment shortcomings. He also addresses the cooperative relationship necessary between maintenance and production and leaves you with an understanding of the three imperatives for successful TPM implementation to change the quality and functioning of the equipment, the way operators think about equipment, and the workplace.
