

Autism Friendly Cities

Access. Inclusion. Diversity. All people deserve to be embraced by their community. Autism Friendly Cities: How to Create an Inclusive Community is the first book designed to guide city leadership and staff through the processes of training and evaluation, development, and implementation of an Autism Friendly initiative that will help you open your doors to everyone. People with autism should be able to participate in all that is offered and facilitated by their city, including services, activities, events, and points of connection. Being an Autism Friendly City is not only socially responsible, it will improve engagement, outreach, economic development, and resident satisfaction.
