

## Queer Theologies: The Basics

Queer Theologies: The Basics is a concise and illuminating introduction to the study of this controversial and discursive subject area. As an updated Second Edition, this popular book provides an accessible exploration into the major themes within queer studies, queer and trans theologies, and themes of gender and sexuality in Christianity. Topics covered include: - The development of queer theologies; - Queering 'traditional' theology; - Queer theologies in global contexts; - Queer Bible; - Queer theologies from queer lives; and - Trans theologies (new for the Second Edition). With a glossary of key terms and suggestions for further reading throughout, this book is an ideal starting point for anyone seeking a full introduction to Christian queer theologies as well as broader themes in theology, gender, and sexuality.
