It equips readers—especially those traveling or operating in high-risk environments—to recognize threats, understand adversarial behavior, and make informed, rapid decisions under pressure. Updated to reflect today's realities, it addresses the unique vulnerabilities faced by women, children, the elderly, LGBTQ+ individuals, immigrants, missionaries, and university students. Combining strategic insight with real-world lessons, this essential guide speaks equally to professionals managing global security programs and individuals seeking to navigate an increasingly unpredictable world.
