

Workspace Made Easy

A clear and practical guide on how to create a fantastic work environment

Demystifying the entire workspace industry, for the non-expert and expert alike, this unique book sets out every step and consideration in how to lead a project to create a fantastic workspace. Entirely free of baffling jargon and industry-speak, it's a refreshingly accessible, practical, down-to-earth guide applicable to all types of workspace, new or renovated and anywhere in the world. Created by two leading workspace practitioners with over half a century of combined multi-sector international experience, this book maps the process from initial idea to finished product and beyond in a succinct, logical and easy-to-follow question and answer style. It helps the reader instantly become a better project leader, and, for all those firms they'll deal with, a more informed and prepared client. Supported by amusing and informative true stories throughout, the book is an indispensable guide that is sure to become an industry standard.
