India Migration Report 2024: Indians in Canada is one of the first volumes to comprehensively examine and analyse the different facets of Indian migration to Canada. This volume:

- Examines the comprehensive history of Indian migration to Canada, including the story of social, cultural, economic, and political integration, analysis of socio-economic characteristics, and evolving political scenarios surrounding student migration and diasporas.
- Presents an overview of migration and post-migration experiences of Indian immigrant and Indo-Canadian women and the rising trend of high-skilled Indian female migration to Canada.
- Discusses the influence of Canadian immigration policy and its effects on the changing immigration patterns of Indians to Canada.
- Examines the challenges faced by Indian immigrants and Indo-Canadians due to deeply entrenched Eurocentric and Ethnocentric biases and the impact of COVID-19 on the community.
- Explores the effect of adult children's migration on the health and suffering from disability of elderly left behind in the migration process. The book also discusses leveraging migration for international development.
