

Martinet

Fighting With FEMA

A Practical Regulations Handbook

In this book, disaster finance and cost recovery expert Michael Martinet provides unparalleled coverage of the practical, real-world key principles necessary to successfully navigate the nuances of federal regulations surrounding FEMA's Public Assistance program. Accessibly written, Martinet demystifies the many policies, procedures, and administrative processes a local government agency should adopt before a disaster to prepare themselves for a greater financial recovery after a disaster. The intent is to awaken local authorities to the realities of the process and assist them in preparing for a day which all hope they will never see. Designed for financial officers, purchasing officials, Public Works officials, Building & Safety officials, public construction project managers, and emergency management professionals at all levels of government, Fighting With FEMA will also earn a place in the libraries of consulting disaster recovery specialists and students interested in the financial aspects of disasters.

Fighting with FEMA covers the practical, real-world key principles necessary to successfully navigate the nuances of federal regulations surrounding FEMA's Public Assistance program. Martinet demystifies the many policies, procedures, and administrative processes which a local government agency should adopt before a disaster.
