

Finance Transformation

Leadership on Digital Transformation and Disruptive Innovation

Finance Transformation: Leadership on Digital Transformation and Disruptive Innovation is a general and wide-ranging survey of finance transformation and emerging technologies. Finance and IT have long been important areas of any business, but recent technological developments are innovating and disrupting both. This book lays a path towards the benefits and away from potential risks. It covers the widest array of topics, from quantum computing to blockchain technology, from organisational culture and diversity to hybrid working, and from regulation to cybersecurity. Written by two vastly experienced industry professionals, this book includes real-life examples and up-to-date references. It will be of particular interest to business stakeholders, executives, and policymakers.
