Schizophrenia

The Final Frontier - A Festschrift for Robin M. Murray

Schizophrenia is a unique project reflecting the contribution that Robin M. Murray has made to the field of psychiatry over the past 35 years, with a particular focus on the advances that have been made to the understanding and treatment of schizophrenia. International contributors have been brought together to pay tribute to Robin Murray's work and explore the latest findings in the area. Sections cover: - neurodevelopment - neuroscience and pharmacology - neuroimaging - genetics - cognition - social psychiatry - treatment. This book will be essential reading for psychiatrists, clinical psychologists, social and basic scientists whose work is related to major mental illness, as well as admirers of the work of Robin Murray.
