Dream Big and Win

Translating Passion Into Purpose and Creating a Billion-Dollar Business

AN INSTANT WALL STREET JOURNAL BESTSELLER A guide for how to not only dream big, but also win—both in business and in life—from one of the most celebrated and successful women in America. For the first time ever, entrepreneur, philanthropist, and Forbes' Richest Self-Made Woman Liz Elting shares her story on how she co-founded and grew TransPerfect, the billion-dollar translation and language solutions company that began as a dream in an NYU dorm room. In Dream Big and Win, Elting divulges practical and inspiring tips you can implement immediately, teaching why success is not solely about attaining and wielding power. Elting shows you that fulfilling your highest potential will require you to look beyond yourself. In her honest and often humorous narrative, Elting illustrates why actions are more important than mantras and why doing will always eclipse dreaming. This book is for anyone who has ever dreamed of translating their passion into purpose and creating something bigger than themselves.
