

Communication

Embracing Difference

Communication: Embracing Difference, 5e, provides the fundamentals of communication theory in accessible terms and emphasizes the practical application of communication skills in interpersonal, small group, and public settings, which helps students become more confident and successful communicators. Designed for the hybrid class, this new edition offers an enhanced dual intercultural and career-based approach; new examples and breakout boxes throughout draw connections to communicating in the workplace, experiential learning, and communicating in a global society. Offering a foundation that readers can take beyond the classroom, this volume is designed to resonate with the diverse student populations that make up so many campuses today.
