

Tort Law

This title was first published in 2002. The first series of The International Library of Essays in Law and Legal Theory has established itself as a major research resource. The rapid growth of theoretically interesting scholarly work in law has increased a demand for a Second Series which includes significant recent work and also gives an opportunity to include additional areas of law. The new series follows the successful pattern established in the first of reproducing entire essays with the original page numbers as an aid to comprehensive research and accurate referencing. Volume editors have selected not only the most influential essays but those which they consider will be of greatest continuing importance. Each volume has an introduction which explains the context and the significance of the essays chosen.
