

Life Upper-Intermediate Student's Book Split B with App Code

Connect with the world and bring your classroom to life

Now in a new edition, *National Geographic Learning* brings the world to your classroom with *Life*, a six-level integrated-skills series with grammar and vocabulary for young adult and adult English language learners.

Through stunning *National Geographic* content, video, and engaging topics, *Life* inspires a generation of informed decisionmakers. With *Life*, learners develop their ability to think critically and communicate effectively in the global community.

- An extensive Critical Thinking syllabus encourages learners to develop well-informed opinions.
- Updated and relevant content through *National Geographic* photographs and video engages learners by connecting them to people and places from around the world.
- New "My Life" sections help learners explore the connections between the content and their own lives.

The following new and updated features of the second edition of *Life* are based on extensive research and consultation with teachers and learners from around the world:

- Updated global content in the unit themes and reading selections
- Updated video material featuring additional video support for vocabulary learning
- New, specially selected *National Geographic* photography stimulates learners' visual literacy skills
- Extended and better-integrated critical thinking syllabus actively engages students in their language learning, encouraging them to develop their own well-informed and reasoned opinions
- A refined grammar syllabus with increased scaffolding and an enhanced reference section
- New "Memory Booster" activities improve students' ability to retain new language
- Improved Classroom Presentation Tool now includes the Workbook pages, academic skills worksheets, extra support, and extension activities
