Worked Up Selves

Personal Development Workers, Self-Work and Therapeutic Cultures

Drawing upon current literature on the history and politics of therapeutic cultures and upon original, qualitative research this book was produced in response to rapidly growing interest in the rise of 'new' HRD practices such as coaching, 'soft skills' training and personal development training.

Drawing upon current literature on the history and politics of therapeutic cultures and upon original, qualitative research this book was produced in response to rapidly growing interest in the rise of 'new' HRD practices such as coaching, 'soft skills' training and personal development training.
