Constructing China's Capitalism

Shanghai and the Nexus of Urban-Rural Industries

By investigating the nexus of relationships between urban and rural factories in the Shanghai region of China, this book shines light on an overlooked part of China's massive industrial growth since the 1980s.

By investigating the nexus of relationships between urban and rural factories in the Shanghai region of China, this book shines light on an overlooked part of China's massive industrial growth since the 1980s.
