Confident AI

The Essential Skills for Working with Artificial Intelligence

Discover new skills, expand your knowledge and build your confidence through this fascinating and accessible guide to working with AI. Artificial intelligence has become an integral part of our everyday lives. But it remains an elusive, complex and intimidating technology that has hundreds of iterations and nuances. With **Confident AI**, build your confidence when working with AI by learning the fundamentals and discovering the intricacies of the industry. **Andy Pardoe** has spent decades working with AI, not only as an influential academic but also within corporations and as a consultant and accelerator for AI start-ups. He draws upon his expertise and lived experience to offer the essential skills and tools that you need to succeed with Artificial Intelligence, whether you are pursuing it as a career or simply working with AI in your work-life. **About the Confident series...** From coding and data science to cloud and cybersecurity, the *Confident* books are perfect for building your technical knowledge and enhancing your professional career.
