

Practical Teaching Skills for Driving Instructors

Developing Your Client-Centred Learning and Coaching Skills

This bestselling guide is recommended by the Driving and Vehicle Standards Agency (DVSA) as required reading for the Approved Driving Instructor (ADI) examinations, to improve your driver teaching, coaching and communication skills. "Complements *The Driving Instructor's Handbook* by linking professional knowledge with practical delivery. It sets out clear and up-to-date approaches to teaching, learning and coaching that reflect the demands of modern driver training." - **DVSA Practical Teaching Skills for Driving Instructors** is a definitive resource for trainee and qualified Approved Driving Instructors who want to deliver more effective lessons, support faster learner progress and succeed in the ADI Standards Check. Fully updated in partnership with the DVSA, it combines practical instruction, coaching expertise and real-world application aligned to current industry standards. You'll learn how to: - Plan and deliver structured driving lessons that build skills progressively from first lesson to test success - Adapt your teaching approach to suit different learning styles and individual learner needs - Apply coaching and communication techniques to improve learner engagement, confidence and driving performance - Understand how people learn and translate theory into effective, on-road instruction - Prepare for and pass the ADI Part 3 and Standards Check using proven, DVSA-aligned strategies This book is the essential companion to *The Driving Instructor's Handbook*, also published by Kogan Page. **Themes include:** ADI exam preparation, DVSA standards, driving instructor training, coaching skills, communication skills, learner driver development

Improve your driver teaching, coaching and communication skills with this Driving and Vehicle Standards Agency (DVSA) recommended guide for the Approved Driving Instructor (ADI) examinations. Practical Teaching Skills for Driving Instructors is the essential handbook for all new and established driving instructors. Fully revised and updated in partnership with the DVSA, this edition provides all the necessary advice to help driving instructors and anyone involved in driving training to communicate effectively with learners. Containing guidance on teaching, communication and coaching skills, this book explains how people learn and how to tailor the teaching approach to different learning needs. With sections on how to structure lessons, it covers the whole teaching process, from early stage lessons through to the final test as well as passing the ADI Standards Check. This book is the essential companion to *The Driving Instructor's Handbook*, also published by Kogan Page.
