Digital Design: Research and Practice

"CAAD Futures" is a bi-annual conference that aims to promote the advancement of computer-aided architectural design in the service of those concerned with the quality of the built environment. The conferences are organized under the auspices of the CAAD Futures Foundation, which has its secretariat at the Eindhoven University of Technology in the Netherlands.

This book contains papers prepared for the 10th CAAD Futures conference that took place at the National Cheng Kung University, 28 to 30 April, 2003. The chapters provide an overview of the state-of-the-art in research on computer-aided architectural design at that time. Information on the CAAD Futures Foundation and its conferences can be found at http://www.caadfutures.arch.tue.nl
