Protecting Your Leadership Mindset, Fervor, and Authenticity

Baruti K. Kafele, a champion for assistant principals, offers stories from his own leadership practice and thought-provoking advice for being effective in the role. The job of a school leader is more challenging—and important—than ever. To be effective, administrators need to support their students and staff, but they also need to take care of themselves. Bestselling author Baruti K. Kafele brings this motivational message to the pivotal members of the leadership team who are too often overlooked: assistant principals. Kafele explains that even as assistant principals gain knowledge and build their leadership identity, their leadership values and skills can be compromised or lost without intentional care. Along with stories from his own years as a transformational school leader, Kafele offers assistant principals 35 thought-provoking questions for reflection and conversation centered on the idea of protection, from How am I protecting my leadership purpose? to How am I protecting my leadership optimism? and How am I protecting my leadership integrity? Whether you are a new or experienced assistant principal, this insightful book will help you hold a mirror up to your own practice and more effectively navigate your powerful role in improving outcomes for students and schools.
