

Flaunt It!

Queers Organizing for Public Education and Justice

This groundbreaking book provides examples of on-the-ground organizing and academic activism, drawing attention to the militarization of public schools, the erasure of queer lives at private institutions with anti-gay «lifestyle» statements, and the failure of professional educational organizations to act for social justice. *Flaunt It!* offers a constructive and timely analysis of the local, felt impact of neoliberal policies on the lives of those most marginal in schools and in communities.
