

Property: Cases, Problems, and Skills

Buy a new version of this Connected Casebook and receive ACCESS to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students.

CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. Hallmark features of Property: Cases, Problems, and Skills: - Tightly and clearly organized, both substantively and visually - Balance of classic and new cases - Shorter than most other Property casebooks For students: - Visual aids include maps, diagrams, and photographs - Chapter-opener maps provide a geographic “table of contents” of the cases to be considered in that chapter, and serve as a reminder of the competing visions of real property as a fungible market commodity, and as a unique place essential to personhood and community interrelationships - Text clearly identifies the majority/minority/trend status of each rule, as relevant - Post-case notes are relatively concise, and avoid the treatise-style references that sometimes frustrate students without sufficient pedagogical benefit - Chapter Reviews include multiple choice and essay questions (with answers in the Appendix), and “Bringing it Home” statutory practice (guiding students in researching their state’s statutory coverage of selected topics likely to be regulated by statute) CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.
