

## When Home Is Not Safe

---

Even if you haven't been hurt by domestic violence, someone you know has and wishes they could tell you about it. Perhaps you are a therapist, teacher, academic, or social worker who wants to help those who are suffering. Or maybe you are in an abusive relationship and need to know that you are not alone. The poetry, memoirs, and creative nonfiction pieces collected here tell of real incidents of verbal, emotional, and physical abuse, as well as of those who left destructive and unsalvageable relationships. The beauty and truth of the language, as well as the honesty and courage on the page, set this anthology apart from self-help manuals and academic treatises on domestic violence. This collection offers a path forward to healing, health, and fulfillment, using the power of art to give voice where voice has been stifled, forgotten, overlooked, or denied
