

The Supreme Court Compendium

Data, Decisions, and Developments

The Supreme Court Compendium provides historical and statistical information on the Supreme Court: its institutional development; caseload; decision trends; the background, nomination, and voting behavior of its justices; its relationship with public, governmental, and other judicial bodies; and its impact. With over 180 tables and figures, this new edition is intended to capture the full retrospective picture through the 2013-2014 term of the Roberts Court and the momentous decisions handed down within the last four years, including *United States v. Windsor*, *National Federation of Independent Business v. Sebelius*, and *Shelby County v. Holder*.
