Selections from CQ Researcher

CQ Researcher's Global Issues offers an in-depth and nuanced look at a wide range of today's most pressing issues. The 2016 edition of this annual reader looks at topics such as the European migration crisis, terrorism in Africa, emerging infectious diseases, robotic warfare, and restoring ties with Cuba. And because it's CQ Researcher, the reports are expertly researched and written. Each chapter identifies the key players, explores what's at stake, and offers the background and analysis necessary to understand how past and current developments impact the future of each issue.
