

Global Issues

CQ Researcher's Global Issues offers an in-depth and nuanced look at a wide range of today's most pressing issues. The 2017 edition of this annual reader looks at topics such as defeating the Islamic State, the Obama legacy, privacy and the Internet, fighting cancer, and arctic development. And because it's CQ Researcher, the reports are expertly researched and written. Each chapter identifies the key players, explores what's at stake, and offers the background and analysis necessary to understand how past and current developments impact the future of each global issue.
