Efta Court

Developing the Eea Over Three Decades

The EEA Agreement extends the four freedoms (persons, goods, services and capital) to Iceland, Liechtenstein and Norway. It provides for equal conditions of competition and abolishes discrimination on grounds of nationality. The EFTA Court, celebrating its 30th anniversary in 2024, has jurisdiction over parties to the Agreement. This jurisdiction corresponds to that of the Court of Justice of the European Union over EU Member States in matters of EEA law. This collection of essays, written by members of the Court and external experts, reviews the successes and shortcomings of the Court, its interface with EU law, and its future development.
