Assessing Children's Writing

A best practice guide for primary teaching

This book supports teachers and trainee teachers with the assessment of writing, and particularly assessment as part of the cycle of planning and teaching – assessment used formatively. - Explores the issues and challenges in the assessment of writing - Highlights the importance of specific feedback - Features examples of children's work and detailed guidance on how to assess each piece - Includes a chapter on supporting children to write more outside of school

This book provides the support that trainee and beginning teachers need to enable them to teach and assess writing. The book covers all the main aspects of writing, both compositional and transcriptional, including those where the National Curriculum has very little detail.
