Behavioural Control Orders

Creating the Criminal Other

An original study of the UK's preventive hybrid orders, revealing how civil powers with criminal consequences target people as much as behaviour. A timely critique of how these powers disproportionately affect groups already subject to social disadvantage and intensive policing.

An original study of the UK's preventive hybrid orders, revealing how civil powers with criminal consequences target people as much as behaviour. A timely critique of how these powers disproportionately affect groups already subject to social disadvantage and intensive policing.
