Getting into Nursing

A complete guide to applications, interviews and what it takes to be a nurse

Considering a career in nursing and want to understand what is involved? Ready to take the plunge and looking for advice on choosing a course and succeeding in your application? This book has been written for you. Why do you need this book? · Learn what it is like to be a nurse today and what you'll need to get there, from personal qualities and values to practical work experience and entry requirements · Understand the different routes into nursing and how to choose the right field · Practical advice and activities help you to write a compelling application and practise for your interview · Top tips from students, lecturers and nurses provide an insight into what to expect from the process, and how to avoid common pitfalls

The go-to book for anyone considering a career in nursing. Using real life tips from students, lecturers and nurses, the book helps prospective students determine if nursing is the right career for them. It then walks the reader step by step through the application process, from choosing the right course to writing a strong application and succeeding at the interview.
