Class, Tax, and Power

Municipal Budgeting in the United States

Offering case studies of financial management in numerous American cities over a period of enormous growth and change, Irene Rubin explores the historical context of municipal budgeting in the United States and the political environment that conditions reform and problem solving at the local level.

Offering case studies of financial management in numerous American cities over a period of enormous growth and change, Irene Rubin explores the historical context of municipal budgeting in the United States and the political environment that conditions reform and problem solving at the local level.
