Essential Flash 5.0 fast

Rapid Web Animation

Macromedia's Flash 5.0 is one of the most dynamic and powerful design applications for interactive web-based animation. No doubt, the technology has given birth to a new generation of internet designers. This book reveals readers all the tips and techniques so that they can start designing quickly. Both old and new features are covered in the book. New features include: improved interface design, new creative tools, and action scripts for interactivity.
