Language Rights and the Law in the United States

Finding our Voices

This book provides a comprehensive review of the legal status of minority languages in the U.S. It also provides the historical and political context for the legal manoeuvring that culminated in landmark civil rights victories. All of the major cases in the U.S. concerning language rights are discussed in detail and in an easily accessible manner to the non-legal audience. The topics range from the English-only movement to consumer law, employment discrimination to international law.

This book provides a review of the legal status of minority languages in the US and provides the historical and political context for the legal manoeuvring that culminated in landmark civil rights victories. All cases are discussed in an accessible manner to the non-legal audience. Topics range from the English-only movement to consumer law.
