

Time Pieces for Trombone, Volume 2

Music Through the Ages in 2 Volumes

Time Pieces is an exciting series of repertoire which explores the wealth of music written from the thirteenth century to the present day. The pieces are presented chronologically within each volume and all include the year in which they were written too, so you can map your journey through time! Time Pieces for Trombone is a two-volume anthology providing a graded selection of well-crafted and idiomatic arrangements, as well as some original pieces, for trombone and piano, Grades 1 to 5. All of them have been carefully written by Paul Harris and Amos Miller to practise the note ranges and keys of the early grades while providing straightforward piano accompaniments for the teacher to play. From Pergolesi to Shostakovich and from Mozart to Bartók, Time Pieces for Trombone allows the pupil to get a real feel for the different styles of music through time and will provide an invaluable, varied source of further study and recital repertoire.
