Joining the Dots, Book 4 (Piano)

Joining the Dots offers pianists lots of material to help build confidence and skill in sight-reading. The series brings together a range of activities to help students improve their sense of keyboard geography, helping them to read new music more quickly and easily. The five books cover the requirements for ABRSM's sight-reading tests at each of Grades 1 to 5, and include warm-up and technical exercises, simple improvisation exercises, and many short pieces to sight-read.
