

Practical Writing Strategies

Engaging Activities for Secondary Students

Practical Writing Strategies is the perfect guide for educators looking to take their students' writing to the next level. This book balances the process and product of writing with a clear Writing Cycle in six stages: Purpose, Exploration, Ideas, Skills, Collaboration, and Publication. Each stage includes engaging activities to help students understand and value the writing process. Practical Writing Strategies teaches genuine writing not just as an assessment task, but as a means of self-expression, exploration, creativity, and knowledge building. With Practical Writing Strategies, you will learn how to guide your students to become confident and successful writers.
