

2022 Endocrine Case Management

Meet the Professor

2022 Endocrine Case Management: Meet The Professor Reference Edition is your source for the latest updates in the diagnosis and management of a wide range of endocrine disorders. This valuable resource allows you to evaluate your knowledge and gain insight into the strategies used by clinical experts. Updated annually. Customers are advised that this book is a reference edition and the questions in it are designed for self-study and reference. The content is the same as the non-reference edition, but CME and MOC credits are not available upon completion of the material. Anyone with questions about CME and/or MOC credits should consult www.endocrine.org/store for further information.
