

Block

Property Rights

The Argument for Privatization

In this timely book, Walter E. Block uses classical liberal theory to defend private property rights. Looking at how free enterprise, capitalism and libertarianism are cornerstones of economically prosperous civilizations, Block highlights why private property rights are crucial. Discussing philosophy, libertarian property rights theory, reparations and other property rights issues, this volume is of interest to academics, students, journalists and all those interested in this integral aspect of political economic philosophy.
