

Modern Global Economic System: Evolutional Development vs. Revolutionary Leap

This proceedings book reflects the alternative way of development of the modern global economic system. It sets evolutionary development in opposition to revolutionary leap. The search for the best way to develop the world economy in the present and future is carried out. The social environment and the human-centered development of the modern global economic system have been explored. The features of training of personnel for the modern global economic system through the development of vocational education and training have been studied. Sustainable development, energy and food security have been identified as significant milestones of the progress of the modern global economic system. Innovations and digital technologies have been suggested as the drivers of growth and development of the modern global economic system. Consideration has been given to the institutional framework and legal groundwork for the development of the modern global economic system. The fundamentals have been identified and recommendations have been put forward for improving governmental regulation, financial and capital investment support for integration in the modern global economic system.

The book includes the best works based on the results of the 22nd International Research-to-Practice Conference "Current Issues of the Global Economy" which was held on June 19, 2020, at the Peoples' Friendship University of Russia (PFUR) (Moscow, Russia) and the 14th National Research-to-Practice Conference "A New Paradigm of Social and Economic Development in the Age of Intelligent Machines," which was held on May 14–16, 2020 (Nizhny Novgorod, Russia), VIII International Research-to-Practice Conference "Multipolar Globalization and Russia," which was held on May 21–23, 2020 (Rostov-on-Don, Russia), III All-Russian Research-to-Practice Conference "Power, Business, and Education: The Ascent to Man," which was held on May 21–22, 2020 (Krasnoyarsk, Russia), International Research-to-Practice Conference "Current Issues and Ways of Industrial Development: Engineering and Technologies," which was held from September 28, 2020, till October 1, 2020 (Komsomolsk-on-Amur), and the 15th National Research-to-Practice Conference "New Models of Behavior of Market Players in the Conditions of Digital Economy," which was held on October 29–30, 2020, at Ufa State Oil Technical University, Institute of Economics and Service (Ufa, Russia).
