

David Lynch

Blurred Boundaries

This book distinguishes itself from earlier books on David Lynch by taking in-depth consideration of his entire oeuvre. Besides his films and the *Twin Peaks* series, *David Lynch: Blurred Boundaries* includes discussions of Lynch's paintings and drawings, music videos, commercials, short experimental works, digital projects on the YouTube channel *David Lynch Theater* and the Internet documentary *The Interview Project*, as well as the exhibition *The Air is on Fire*, which Jerslev regards as one of Lynch's main works. *David Lynch: Blurred Boundaries* offers a view of Lynch's total work, in which one medium or genre is no more important than the other. It discusses the ways in which Lynch has worked throughout his career with different art forms and has right from the start experimented with the blurring of boundaries between media and genres. And it discusses ways Lynch creates atmospheres by different audio-visual and visual means.
