García Márquez / Jamil / Eken

Computational Intelligence, Data Analytics and Applications

Selected papers from the International Conference on Computing, Intelligence and Data Analytics (ICCIDA)

This book is a compilation of accepted papers presented at the International Conference on Computing, Intelligence and Data Analytics (ICCIDA) in 2022 organized by Information Systems Engineering of the Kocaeli University, Turkey on September 16-17, 2022.

The book highlights some of the latest research advances and cutting-edge analyses of real-world problems related to Computing, Intelligence and Data Analytics and their applications in various domains. This includes state of the art models and methods used on benchmark datasets.
