

Dermatology

Illustrated Study Guide and Comprehensive Board Review

A fully-illustrated, note-packed volume of information, fulfills a real need for a single study guide for the Dermatology Board Exam. The text focuses on presenting comprehensive information in an easy-to-understand, easy-to-remember format.

The third edition of this incredibly popular book includes:

- Close to 800 full-color clinical and histologic images
- Over 75 new histopathologic images and over 170 tables
- Layout similar to third edition with outline approach
- Clinical images parallel to corresponding text for easy reinforcement of text
- Updated coverage of new medications, new entities, and new genetic mutations

is a must-have resource for any dermatologist or dermatology resident for studying for the in-service training exam and dermatology board exam. It is an excellent review source for dermatology with easy to read format, numerous mnemonics and high-quality clinical images.
