Wagner / Werner / De Rango

Simulation and Modeling Methodologies, Technologies and Applications

14th International Conference, SIMULTECH 2024 Dijon, France, July 9-11, 2024 Revised Selected Papers

The present book includes a set of selected best extended papers from the 14th International Conference on Simulation and Modeling Methodologies, Technologies and Applications (SIMULTECH 2024), that was held in Dijon, France, from 10-12 July. The conference brought together researchers, engineers and practitioners interested in methodologies and applications of modeling and simulation. New and innovative solutions are reported in this book. A selection was made after the conference, based also on the conference chairs assessment, reviewers' assessment, quality of presentation, and audience interest, so that this book includes the extended and revised versions of the very best papers of the conference. New and innovative solutions are reported in this book.
