

Digital Hermeneutics II: Sources, Analysis, Interpretation, Annotation, and Curation

Third International Workshop, Frankfurt am Main, Germany, November 23–24, 2023,
Revised Selected Papers

This book constitutes the results of the Third International Workshop of the research cluster digital_culture at the FernUniversität in Hagen, Digital Hermeneutics 2023, which took place in Frankfurt am Main, Germany, during November 23–24, 2023.

The 11 regular contributions focus on the development of the IVIS4DH research framework to support the interaction between humanities and computer science in an iterative research and knowledge generating process. The book also contains an introduction and evaluation of the topic written by the editors and their team.
